GREEK REGIME ACCUSED BY MAKARIOS

President Makarios said yesterday that the Athens regime is responsible for what has been happening in Cyprus and that the Greek National Guard into an armed occupation.

President at his monthly meeting with the Press said he had sent a letter to the President of Pakistan, General Zia, about the present crisis which he said had been caused largely by the Greek soldiers in the National Guard.

The President also said that he had not expressed any ideas of a visit to Athens for talks as he was invited by the Greek Government.

In answer to a question about the possibility of a visit to Athens, he said he would be happy to be asked.

The President said that he had already made it clear to the United Nations that he did not recognize the National Guard of Greece and had indicated his intention of taking all possible steps to end the occupation of Cyprus.

TURKEY TELLS GREECE REGIME TO RECONSIDER ITS STANCE

Athens July 3

Turkey has told Greece to reconsider its stance on Cyprus.

The statement was made by the Turkish Prime Minister, Mr. Sultanzade, in a letter to Prime Minister Papandreou. The letter said that Turkey was ready to support Greece in its efforts to resolve the Cyprus problem.

The letter was delivered by the Turkish ambassador to Athens.

Kissinger subpoenaed to stand at trial

Washington, July 5

Secretary of State Henry Kissinger has been ordered to appear before the grand jury in a criminal case involving the sale of arms to Saudi Arabia.

The grand jury, which is investigating possible violations of the Arms Export Control Act, is to summon Kissinger to appear before it.

The summons was issued by the United States District Court for the District of Columbia.

The case involves an alleged violation of the Arms Export Control Act by a former assistant secretary of state.

Landslide in the Peace Corps

Good chances for the Peace Corps

The Peace Corps has been given a vote of confidence by President Carter.

In his recent report to Congress, President Carter praised the Peace Corps for its work in helping to bring democracy to the world.

The Peace Corps, which was founded in 1961, has operated in more than 100 countries and has had a major impact on the development of many nations.

The report noted that the Peace Corps has been successful in promoting peace and development in the world.

The Peace Corps has been praised for its role in helping to bring democracy to the world.

Austrian probe of mine explosion

Austria has sent a team of experts to investigate the causes of a mine explosion that killed four people in Sri Lanka.

The team, which includes geologists and mining engineers, will examine the site of the explosion and try to determine the factors that caused it.

The explosion occurred at a coal mine in the eastern part of Sri Lanka and killed four workers.

The investigation is expected to take several weeks.

Sea freight charge removed

The Cyprus government has removed a sea freight charge that was added to the price of coal.

The charge, which was added to the price of coal in order to finance the costs of transportation, has been removed.

The government has said that the removal of the charge will help to lower the cost of coal for consumers.

Cyprus amid hikes

The government has announced a number of hikes in prices.

The government has said that the hikes are necessary to cover the costs of transportation and other expenses.

The government has also announced a number of measures to help to reduce the cost of living.
